

WILSON MUINDE

IT STUDENT

PERSONAL PROFILE

As an IT student with a passion for technology, I am eager to develop my technical skills and contribute to the industry. Through my coursework and projects, I have gained experience in programming languages such as Java and Python, as well as web development technologies like HTML, CSS, and JavaScript. I am always seeking opportunities to learn and grow, and I am excited to apply my problem-solving abilities and attention to detail to real-world challenges. Additionally, I have collaborated with peers on group projects, demonstrating my ability to work well in a team.

WORK EXPERIENCE

Worked on personal coding projects to expand my technical skills and explore new technologies.
